Odyssey Marlborough Pinot Gris 2020 Certified Organic

4.5 STARS – SAM KIM

Ripe and Fragrant, the inviting bouquet shows white stone fruit, fresh pear, jasmine and subtle spice aromas, leading to a vibrant palate that is beautifully weighted and rounded. The wine offers excellent fruit intensity and elegance, wonderfully framed by fresh acidity, finishing long and attractive. At its best now to 2025. Certified Organic.

VITICULTURALISTS NOTES

The Odyssey Organic Vineyard is one of the most elevated sites in Marlborough and situated on the acclaimed Southern Valleys. Permeable silt loam over clay gives rise to complex whites with an underlying flinty minerality denoting the terroir from which it is grown. The Pinot Gris block comprises of three clones on two different rootstock. A warm growing season in 2020 and the cool autumn nights meant we got the ripe fruit flavours in this Pinot Gris and retained its naturally pleasant acidity. Meticulous canopy management all done by hand has resulted in fruit in the best condition being delivered to the winery.
