

ODYSSEY

Odyssey Marlborough Rose 2020

Natural Rose Dry

A bright and elegant Rose. Made from Pinot Noir grapes and fermented using its own natural yeasts present on the grapes. The nose displays floral, raspberry and red cherry characters. The palate is ripe and juicy with lovely smooth texture and crisp acidity. A beautifully balanced and appealing dry Rose.

VITICULTURALISTS NOTES

The Odyssey Vineyard is one of the most elevated sites in Marlborough and situated on the acclaimed Southern Valleys. Permeable silt loam over clay gives rise to fruity wines with an underlying flinty minerality denoting the terroir from which it is grown. The Odyssey Pinot Noir is made from a clone of 667 Pinot Noir renowned for its uplifted fruity aromatics. The warm growing and low yielding season in 2020 meant we got the ripe fruit flavours whilst the wine retained its naturally pleasant acidity. Meticulous canopy management all done by hand has resulted in fruit in the best condition being delivered to the winery. Harvested 15 March 2020.

Harvest Brix:
22.2

Harvest TA Level:
6.40

Harvest PH Level:
3.39

WINEMAKERS NOTES

The grapes were handpicked, then crushed and the skin left to lie with the juice to achieve the required level of colour. Once the colour was extracted from the skins the juice was pressed from the skins, settled and fermented with its own yeasts present on the grapes. The ferment was slow yet consistent and after ferment the wine was run off into older French puncheons where it rested sur lees for 3 months before being carefully prepared for bottle. Bottled July 2020.

Residual Sugar 2.00g/l

PH Level:
3.30

TA Level:
6.2/l

Alcohol Content:
12.5%
