Comment Our FROMM Pinot Noir Cuvée “H” is a thoughtful blend of our individual single vineyard Pinots. Incorporating the qualities of each of these wines into a premium blend (Cuvée) gives us a Pinot that is balanced yet complex; powerful yet elegant.

This year, more than ever, careful blending and sacrificing high portions of our best single vineyard wines was crucial to achieving a wine worthy of this label's expectations while maintaining the integrity of the vintage. The wine has beautiful transparency, freshness and floral aromas with complex yet delicate forest floor notes. The palate is sleek and refined, an exercise in lace and grace, supported by very fine tannins. A seductive, multi-layered wine of finesse and gentle strength, arguably FROMM's star of the vintage.
