Comment Only 2 barrels were selected for the 2018 Fromm Vineyard Syrah from our original 1992 planting. After maturing for 28 months in these barrels, the wine was bottled without fining or filtration.

This is a beautiful and charming Syrah, offering a gentle, spicy nose combined with some well-integrated, subtle oak. The palate is equally delicate and refined with lovely balance and texture. A harmonious and already approachable Syrah that will provide delightful drinking over the next 5 to 7 years.
