Escarpment's Artisan range is a commitment to the future expansion of our key varieties. Exploring boundaries has always been part of our philosophy and is exhibited in our winemaking approach.

After many years of creating full-bodied Pinot Noir, we decided to craft a rosé from this exemplary grape variety. An ideal Martinborough season provided fruit with aromas of fresh strawberries and summer flowers.

The juice was left in contact with the skins for a mere 2 hours then barrel fermented in old oak barrels. A very delicate flawless blush coloured Pinot Rosé has resulted.

The refreshing palate reveals fresh crisp acidity and an enticing dry finish; a perfect accompaniment to summer celebrations. Totally refreshing.
