Mischief

2021 Mischief Waipara Sauvignon Blanc

Vibrant and refreshing it is oh so easy and with so much tropical fruit its hard to stop. Passionfruit and Guava, are in abundance, but look out for those florals and a tarty green apple finish. It's hard not to be quenched by the first sip, until you take another!

Alc: 13.0% | Residual Sugar: 5.0g/L

Tropical. Floral. Fresh.
