Textural
Guava
Elegant

Vintage Notes

Overall, a warm and settled growing season, with little to no high winds, no major frost events and very good soil moisture leading into late 2021. Weekly rain events throughout November took the vines into premium conditions for canopy growth. Flowering conditions were perfect, with warm dry weather over this crucial period. In turn, the fruit was very even in ripeness within the bunches. Autumn was settled and warm, and harvest was very busy and fast-paced. A stellar vintage with very high-quality fruit and fantastic crop loads, which were easily ripened by our lush, large canopies.

Winemakers Notes

A single site wine, our 2022 Eden Sauvignon Blanc is imbued with minerality, elegance and fruit purity. The classic Central Otago Sauvignon Blanc flavours – guava, green pea and blackcurrant leaf – come to the fore on the nose. The palate displays texture and complexity, a result of four months of aging in neutral French oak barrels.

Technical Notes

Composition: 100% Sauvignon Blanc

Yeast: Wild

Oak: Neutral oak, 4 months

Vinification

Picked in the cool hours of the morning, whole bunch pressed and settled in tank overnight before being racked to neutral French oak barrels.

Fermented wild and aged for four months (bâtonnage fortnightly) before blending.
