Vintage Notes

Overall, a warm and settled growing season, with little to no high winds, no major frost events and very good soil moisture leading into late 2021. Weekly rain events throughout November took the vines into premium conditions for canopy growth. Flowering conditions were perfect, with warm dry weather over this crucial period. In turn, the fruit was very even in ripeness within the bunches. Autumn was settled and warm, and harvest was very busy and fast-paced. A stellar vintage with very high quality fruit and fantastic crop loads, which were easily ripened by our lush, large canopies.

Winemakers Notes

Green pea, blackcurrant leaf, guava and fresh herbs. Hints of passionfruit. Zesty, vibrant palate.

“Our Eden Vineyard is located in the Pisa subregion of Central Otago, and provides a stunning outlook towards the Pisa Range. The own-rooted Sauvignon Blanc vines were planted in 1993, and are the oldest certified organic vines in Central Otago. The vine age and deep roots give complexity and structure to the final wine.”

Technical Notes

Composition: 100% Sauvignon Blanc

Vineyard Aspect: Flat and level river terrace created by glacial activity

Row Orientation: North-South

Soil: Fine silt loam over schist-based alluvial gravels

Vinification

Whole bunch pressed, cold settled in stainless steel for 48 hours before racking into stainless steel for a cool fermentation. Co-inoculated with QA23 and Revelation Thiol yeast, which gives a lovely expression and purity in Sauvignon Blanc. Aged on lees in tank for three months to build complexity before racking, stabilising and bottling.

Vineyard/s	Harvest Date	Bottling Date	Qty Bottled	Alc	TA	pH	Residual Sugar
<i>Eden</i>	<i>10th April 2022</i>	<i>15th Sept 2022</i>	<i>291 x 96 cases</i>	<i>13.4%</i>	<i>7.4</i>	<i>3.0</i>	<i>3 g/l</i>
