

STONE PADDOCK

BY PARITUA

HAWKE'S BAY ROSÉ 2022

WINE DESCRIPTION

Wine Notes

Aromas of strawberries and cream, berry sorbet and plum blossom. The palate is textured and delicate with flavours of strawberry and cream hints of candied pear finishing with a crisp acidity.

This Rose is a great summertime wine, succulent and refreshing drinking from mid 2022. It is best as a young wine, lightly chilled, as aperitif or with seafood white meat and salad dishes.

Viticulture

Grapes for this Rose were sourced from different parts of our Bridge Pa Triangle vineyards. Harvested at optimum ripeness, Merlot and a small amount of Cabernet Franc varieties were used to make this Rose. Spur pruning and excellent fruit exposure produced clean, ripe fruit with great concentration.

Winemaking

Destemmed grapes were transferred to a basket Press. a short period of soaking then pressing was enough to colour the juice to a pale pink. Clean juice was run off to a separate tank to ferment at cool temperatures to retain great fruit flavours and reduce phenolics. The wine was then filtered for bottling late 2021.

Alc. 12.5%
Standard Drinks 7.4
