Winemaking

This winemaking focuses on pure and natural winemaking techniques, enhancing the fruit flavour and richness of the wine. The grapes are harvested from grapevines which are over 35 years old, Clone 15 chardonnay.

The wine shows lovely purity with flavours of pineapple peach and butterscotch. The palate is succulent and rounded with creamy texture and attractive fruit intensity, nicely structured by juicy acidity. The wine has been aged with oak and undergone partial malolactic fermentation. The wine was aged on lees with Indigenous yeasts used in the fermentation.
