

Chard Farm

CENTRAL OTAGO

Maria Rosé 2022

winemakers comments:

Summer in a glass, dry Provençal style - crushed berries over alpine flower and citrus sorbet.

Named after the owners daughter Romy Maria Rose, this vintage is available at the Cellar Door and limited exclusive retails.

A small parcel of Chard Farm's pinot noir grapes are used to make this delicious rosé. Left on skins for a minimal time whole in the press to create this dry, slightly blushed rosé.

wine description:

A vibrant nose with strawberry and citrus fruits, with a fair amount of red rose petals. Bright and refreshing cool red berries and citrus notes carry through the palate to a pleasantly dry and balanced finish.
