CENTRAL OTAGO

Pinot Gris 2022

winemakers comments:

Our Pinot Gris is made from fruit grown on our Tiger, and Sinclair vineyards in the Parkburn area of Cromwell. All the grapes are hand harvested and fermented in small lots in stainless steel tanks helping to retain fruit purity and finesse. The wine is full, dry, and textural, and displays excellent fruit structure, intensity, and mineral length.

wine description:

Leaps out of the glass with a rich floral bouquet and layers of spicy pear and quince fruit. The ample autumn fruits build into a supple and full palate before easing out to a pleasantly persistent finish.
