## Defiance Chardonnay 2022

Domain Road Vineyard is a small producer of premium wines in Bannockburn, Central Otago, New Zealand. Two vineyards, one on Domain Road and the other on Felton Road are hand tended by a small team under the leadership of Steven Crosbie. Bannockburn's hot summers, followed by cool dry autumns allow the grapes to reach optimum maturity prior to harvest.

Our vineyards embrace the past, making the most of the soils and unique clays left exposed by miners searching for gold as well as the areas passed over and left untouched. Our Chardonnay grows in three blocks on our Defiance vineyard chosen for the quality of soils and underlying gravels. The clones we chose (809, 1066 and 548) are the three great clones used by the French Grand Crus of Corton-Charlemagne - considered to represent some of the finest white burgundies. These three clones are designed for blending, with 548 and 1066 producing full bodied wines with complex aromas, the addition of 5 - 10% of 809 provides muscat aromas and a fine well balanced structure.

## The Wine

Our Chardonnay was hand harvested between 7th and 9th April 2022 from our Defiance vineyard. The grapes were whole bunch pressed to tank before being transferred to French oak barriques for barrel fermentation. Aged in the oak barriques for 9 months (33% new oak) the wine underwent malolactic fermentation and was regularly lees stirred, with 100% of the wine completing malo-lactic fermentation.

Our Chardonnay is dry in style, and pale lemon with clear hues in colour. The nose has fragrant aromas of elderflower, lemon curd, white peach, orange blossom and vanilla. The succulent palate is bright with white stone fruit, citrus, with hints of almond and cashew. A complex and concentrated wine with integrated acidity, good minerality and hints of oak on the finish.

Food match: Firm flesh fish or seafood and subtly flavoured, simply seasoned poultry or pork dishes. Creamy avocado pasta.
