### Tasting Note

“Bright garnet hue with a lifted fragrance that combines dried florals, wild thyme, wild mushroom, cherry, raspberry and new leather. The flavours complement the aromas with dark fruit, dried herb with intriguing savoury notes. Immediately captivating the fine tannins build in the mouth, dancing in harmony with the fresh acidity. Taut yet expressive at release, this wine is apt for cellaring and will continue to evolve for 15+/- years.” *Jen Parr - August 2023*
