Vineyard & Winemaking Notes

Region | Esk Valley, Hawke's Bay

Alcohol | 12 %

Residual Sugar | 2.5 grams per litre

Made with Syrah and Pinotage this a beautifully balanced full Rose, similar to a European style with bold freshness and aromatics. Undergoing a cool, slow and long fermentation to retain freshness and aromatics. Kept for 3 months on lees in winery post fermentation for pallet weight and texture.

Vegan friendly - This wine has been refined using pea and potato proteins rather than traditional animal products.

Little interference with the natural growing processes. Little handling of the delicate fruit.
