

BALD HILLS

BANNOCKBURN • CENTRAL OTAGO

In 1997 the land that sits beneath a range of 'bald hills' in Bannockburn was identified as the ideal place to produce cool-climate wines. Vines were lovingly planted in this stunning scene and so began the Bald Hills story.

Winemaking Notes

This Rosé is 100% Pinot Noir (clones 115, 114 and 113) and the fruit selected for this wine was hand picked on 25 March and 2 April 2022.

The fruit was whole bunch pressed to a stainless steel tank for cold settling for two days. The juice was then racked and the juice inoculated with selected wine yeast. The cool fermentation was stopped to retain a touch of residual sugar.
