

MELTON ESTATE

PINOT NOIR

2023 CANTERBURY

Winemaking Notes

The 2023 Melton Estate Pinot Noir is made from family run vineyard blocks in North Canterbury, where the selection of grapes was based on the right balance of flavour, colour and texture.

On harvest day, grapes were gently picked then off to the winery where the fruit was destemmed and carefully plunged for skin contact. This wine was fermented in oak barrels. Finally the wine was filtered and bottled in February 2024.

Cases produced in 2022: 553

ALC: 13% PH: 3.4 TA: 6 g/l RS: 0 g/l

This wine is Vegan, Dairy Free and Gluten Free.

Tasting Notes

On the nose there are raspberry and cherry flavours. Savour the wonderful smooth tannins and ripe berry on the palate . Enjoy as we do!
