Matahiwi Estate Wairarapa Pinot Gris 2023

A fresh aromatic Pinot Gris with aromas of nashi pear, guava and rockmelon. The palate is alive with citrus and tropical fruit flavours, juicy acidity and a fine mineral finish.

Vineyard

The fruit for this wine is sourced from the Wairarapa, classic cool climate conditions with free drawing soils in the rain shadow of the Tararua ranges. Careful viticulture combined with naturally low yields gives ripe, clean fruit with great flavour intensity.

Winery

The focus in the winery is to capture the pure fruit flavours that come in from the vineyard. The grapes were harvested when the fresh fruit flavours were at their peak, then gently pressed. The juice was fermented at cool temperatures with a range of selected yeasts to enhance aromatic potential. After fermentation the wine rested on lees to enrich the mouthfeel before blending and preparation for bottling.
