Vineyard & Winemaking Notes

Region | Esk Valley, Hawke's Bay

Alcohol | 14.5%

Residual Sugar | 5.2 grams per litre

2021 was one of the best seasons we have seen, across all varieties, especially Gewürztraminer, it produced very ripe and clean fruit. It retained acid levels despite very ripe fruit.

All wild fermentation as well as hand harvested and whole bunch pressed. A mix of tank and barrel ferment. 25% old 500L puncheons.

Eye

Pale golden yellow

Nose

A delicate perfume of Rose and Turkish Delight matched with generous ripe citrus

Taste

Citrus, lychee and ginger. A perfect combination of fragrant aromatics and rich spice together with a fresh and luscious texture
