GROWING SEASON (2025)

After an incredible summer in 2024, 2025 exceeded all expectations. With a long, hot, sun-drenched season, the conditions were ideal. At Jasper, we enjoyed a standout vintage, producing beautifully ripened fruit perfect for crafting our exceptional 2025 rosé.

VINEYARD

Jasper Ridge Estate is located at the east end of New Zealand's Waiheke Island on Cowes Bay Road, near the small coastal settlement of Orapiu, overlooking the Hauraki Gulf. It is a single variety (Syrah) vineyard that is home to around 4000 vines, with rosé grapes harvested from the bottom and shed blocks to form the basis of the Jasper Ridge Rosé '24.

WINEMAKING

Hand-harvested on 12 March '25, the fruit was destemmed and gently pressed for a couple of hours, creating a pink hue. To retain the fruit flavours, the grapes were cold-fermented in stainless steel tanks for 14 days until nearly dry. The wine was bottled in June 2024.

TASTING NOTES

A vibrant, pink rosé crafted from hand-picked Waiheke Island grapes. With a pale blush of delicate lavender-pink colours, the nose reveals a bouquet of ripe summer berries. Think crushed strawberries, raspberries and a touch of juicy red cherries.

WINE COMPOSITION

pH 3.43
Residual Sugar <3g/L
Titratable Acidity 6.3g/L
Alcohol 12.4%
Fined with Casein. Contains sulphites.

Vine Age

100% Syrah varietal, hand-grafted in field between 2002-2005.

Clone

MS, TK, Chave.
