Tūpari 2025 Rosé 'Pink Pukeko'

Our beautiful Awatere Pinot Gris and Pinot Noir have been blended together to create a burst of fun and flavour.

A crisp, dry Rosé with classic notes of strawberry and cream. Pale salmon pink in colour, the nose offers lifted aromas of fresh strawberries and a hint of spice. The palate is refreshing and elegantly balanced, making it an easy-drinking style that pairs beautifully with food. Serve well chilled – the perfect summer companion.

Food match:

This dry, crisp Rosé is a versatile partner for food. Enjoy with Charcuterie and antipasto platters or grilled meats and mediterranean salads.

Cheese match:

Pairs beautifully with creamy Brie, fresh goat cheese, or a mild washed rind. The wine's acidity cuts through richness, while its red berry notes complement soft, delicate flavours.
