

BLANC DE NOIR

Vibrant fresh wine made from gently pressing Syrah grapes to give a touch of pink. Aromatic citrus blossom and rose petals on the nose combine with pear and nectarine leading to a subtle aromatic spice finish.

Vintage	-	2023
Alcohol	-	12%
Variety	-	100% Syrah Clone 470
Residual Sugar	-	5 g/L

VITICULTURE

Grown from our river flats vineyard right at the front of our winery in Esk Valley. These free draining light soils along with our delicate canopy management help to provide light, crisp and aromatic wines with great concentration.

WINEMAKING

Hand picked fruit was gently whole pressed with delicacy to extract as little colour from the Syrah skins as possible. Juice was settled over night before being run to neutral seasoned oak barrels for an indigenous fermentation. 50% underwent malolactic fermentation for richness and texture. Barrels were gently stirred as they aged for 5 months post ferment.
