ROSÉ 2024

Winemaking

The 2024 Rose came from two blocks located around the winery, the fruit was machine harvested and pressed immediately off skins to ensure the final wine would end up with a bright pale pink colour. The juice was fermented across two stainless steel tanks each with a different aromatic yeast to provide a wide spectrum of berry flavours and aromatics. Once the wine had finished fermentation the tanks were blended and prepared for bottling.

Vintage

The 2024 growing season was one of the hottest and driest on record, resulting in small yields with exceptional fruit concentration. A short and intense ripening period ensured the fruit was harvested quickly, achieving the perfect sugar and acid balance.

Aroma & Palate

Candy, strawberry and cherry blossom, Juicy and bright on the palate with classic strawberries and cream. Lots of red berry with good acid, giving a long-balanced finish

Suitable for vegans/vegetarians.
