

2025 **Pipi** Sparkling Albariño

This Sparkling Albariño is inspired from a combination of techniques learned from working, drinking and traveling around the world. It is a vibrant and modern take on Hawke's Bay Albariño - reimagined with bubbles. Mindfully made and mindfully grown. Partnering with responsible growers and using low intervention winemaking, unfinned for maximum expression of place.

Vineyard and Winemaking:

The grapes for this Sparkling Albariño were sourced from the Two Terraces in Hawke's Bay, a site of free draining soils with warm days and cool nights that help retain freshness. Picked in mid-March. Pressed, after a short period on skins to enhance fruit intensity and naturally balance acidity. Fermented cool and naturally in neutral barrels, mostly to dryness with a portion left slightly sweet for balance. Kept on its primary lees for four months with stirring to add mouthfeel and texture. Bottled 11th August 2025, Unfinned and minimal SO₂ additions.

Analysis:

- pH: 3.23
- TA: 7.56 g/L
- RS: 8g/L
- ALC/VOL: 12%

Tasting Notes:

Pipi is a fresh, citrusy, stone-fruited fizz with a hint of salty sea breeze — pure summer energy in a glass. Pour it chilled, pop it on the table, and let Pipi do what she does best: bring joy to the party.
