## Winemaking & Vineyard Notes

The Skeetfield Vineyard has old vine dry-farmed Mendoza clone Chardonnay vines. The fruit was hand-picked and whole bunch pressed with minimal settling. This wine was 100% barrel fermented and matured, with 60% new Taransaud French oak, indigenous ferment and malo-lactic ferment have provided complexity and depth. Battonage on lees has yielded a superb textural quality. Minimal handling to bottling has preserved the purity and intensity of the wine. Skeetfield is a wine with exceptional power and grace, and will greatly reward the patient.

This legendary & heritage vineyard in Hawke's Bay is named after Brick Gunn, champion NZ Skeet shooter. It is now farmed by his son Denis Gunn & young family. The vines are 35+ years old, so although low yielding they reward our patience and hard work each year.
