

MOORE & MOORE

WILL'S PINOT NOIR 2024

COLOUR

Deep cherry.

NOSE

A vibrant bouquet of bright raspberries and red cherries, layered with savoury, earthy complexity.

PALATE

Smooth, refined texture with fine tannins and restrained oak lend subtle hints of spice and vanilla, adding elegance and structure.

WINEMAKING

More than just a wine, this is a year of care, curiosity, and a touch of obsession from Will. The five-day cold soak, gentle pump overs, and 12-months in French oak were all decided on to coax out the colour, flavour, and texture to present a small-batch wine that was handcrafted with love and attention.
