

MELTON ESTATE

SYRAH

2023 CANTERBURY

Winemaking Notes

The 2023 Melton Estate Syrah is made from grapes sourced from a small vineyard in Waipara, Canterbury.

In the winery, the grapes were plunged by hand daily to increase skin contact. After a month the juice was racked and made ready for fermentation in oak barrels. Once the ferment was complete the wine was filtered and then bottled in February 2024.

Production: 6,564 bottles

ALC: 13.5%

Dietary: Vegetarian, Vegan, Dairy Free and Gluten Free

Tasting Notes

This wine boasts typical Syrah flavours of plum and savoury black pepper, with herbal notes. This wine makes for a fantastic food wine, particularly lamb, venison and pasta dishes.

Cellaring Notes

Drinking beautifully now and will continue to develop over the next 3–5 years. Available from the Melton Estate Cellar Door and via online orders at www.meltonestate.co.nz.
